Dear Sir

We have repeatedly asked Mr. D.M. Fox to oblige us with a cheque for an approximate amount of the silver we ship on our sale to the U.S. Mint, to this request he has made no response, and we have been kept two or three days out of our money, which in this present sharp money market is very inconvenient.

We only ship silver that comes through responsible agents from reliable refining houses, such as the Onaka & Grant Smelting Works, Kansas City, Platts, Baltachs

We respectfully solicit your suggesting to Philadelphia a more prompt reimbursement in future.
